

Editry Shield SKU Key Reference

This document outlines the SKU (Stock Keeping Unit) naming convention used across Editry Shield's products. Each SKU follows a consistent, structured pattern for traceability, reporting, and scalability in HubSpot.

SKU Format: [BusinessUnit]-[Category]-[ProductType]-[Sequence]

Example: **ESH-SVC-SECASS-001**

- **ESH** → Editry Shield
- **SVC** → Service
- **SECASS** → Secure Assessment
- **001** → Sequence number

Category	Code	Description
Service	SVC	One-time or consulting engagement
Subscription	SUB	Recurring monthly or annual product
Advisory	ADV	Custom scoped project
Bundle	BND	Flat-fee or packaged offer
Hardware	HW	Physical goods or installations
