27.		During site tours, it was indicated that all medical/clinical areas would be removed from this RFP. Will you be providing updated facility specification sheets with minimum staffing levels that reflect the removal of these areas?	No. The facility specification sheets for Region 1 (Twin Towers Correctional Facility) has been amended via Bulletin #4, all minimum staffing levels remain the same.
28.		During the site tours, the sheriff deputies stated that contractors would not be responsible for cleaning occupied inmate dorms due to safety issues. Will you be providing an updated SOW and facility specification sheets with minimum staffing levels that reflect this change in scope?	No, all minimum staffing levels remain the same.
29.		What safety training or certifications are required prior to start?	To be determined during contract negotiations with awarded Contractor.
30.		What is the incident reporting process, and who must be notified?	To be determined during contract negotiations with awarded Contractor.
31.		Are safety meetings or documentation required on a recurring basis?	To be determined during contract negotiations with awarded Contractor.

QUESTION NUMBER	RFP LANGUAGE (IF PROVIDED)	PROPOSER'S QUESTION	COUNTY'S RESPONSE
32.		What type of quality assurance inspections will be conducted by the county?	Weekly on-site inspections will be conducted by County staff.
33.		How often will joint inspections or performance reviews occur – weekly, quarterly, semi-annual?	As needed at the sole discretion of the County.
34.		What is the timeline to correct issues once identified?	It varies depending on the severity of the issue, as determined by both parties.
RESPONSE TO QUESTIONS FOR REGIONS 1-3			
35.	SOW §8.1, pp. 7–8/17; Attachment 1 Facility Specification Sheets – pages vary.	Please confirm minimum required staffing by facility and by shift (Day/Swing/Graveyard) for Region 1 sites, and whether the staffing in Attachment 1 represents minimums or planning estimates.	Refer to Attachment 1 (Facility Specification Sheets) to Exhibit A (Statement of Work) amended via Bulletin #4 for “minimum” staffing levels.
36.	SOW §8.1, pp. 7–8/17	Please confirm whether staffing can be flexed (e.g., performance-based staffing) or whether posted staffing must be maintained at all times regardless of occupancy or activity levels.	No, minimum staffing levels must be maintained at all times.

QUESTION NUMBER	RFP LANGUAGE (IF PROVIDED)	PROPOSER'S QUESTION	COUNTY'S RESPONSE
37.	SOW §8.1, pp. 7–8/17	Please confirm whether relief coverage (vacation, sick, holidays, training, call-outs) must be included in base pricing and staffing or is treated separately.	Contractor must employ sufficient staff to provide the required daily coverage including any relief coverage necessary.
38.	SOW §3.1.1 Additional Services, p. 4/17; Attachment 1 – pages vary.	Please confirm expected response times and staffing triggers for emergency cleanups (e.g., bodily fluids, vomit, blood, sharps) and whether emergency response is 24/7.	Biohazard cleanups and emergency services are as needed and response times are as determined by both parties.
39.		Please clarify if this contract will require the cleaning of the dorms or if those FTEs will not be required.	As needed dorm cleaning will be required. County personnel will escort contractor staff when inmates are present. County personnel will remove inmates from cell prior to contractor performing services.
40.		Will Trustees and or GSA workers still clean some of these areas alongside contractor? Or will those positions be eliminated or shifted to other areas in correctional facilities?	To be determined at the discretion of each facility.
41.		Will there be updating minimum staffing levels provided with updates on areas to be cleaned?	See Bulletin #4 for amendments to Attachment 1 (Facility Specification Sheets) of the SOW and Exhibit 11 (Staffing Plan) of Appendix B (Required Forms).

QUESTION NUMBER	RFP LANGUAGE (IF PROVIDED)	PROPOSER'S QUESTION	COUNTY'S RESPONSE
58.	SOW §6.1 County-furnished items, p. 10/17; safety requirements – SOW §5.0, p. 5/17.	Please confirm PPE responsibilities for Region 1: which PPE is County-furnished vs Contractor-furnished (gloves, face shields, gowns, N95/respirators), and any required fit testing.	Varies by facility and to be discussed with awarded Contractor.
59.	SOW §8.6 meetings/reporting, p. 15/17; PRS Chart Attachment 3 – page varies.	Please confirm incident reporting requirements for safety events (needle sticks, exposures, inmate incidents) and whether safety incidents affect QA scoring or are tracked separately.	Varies by facility and to be discussed with awarded Contractor.
60.	SOW §6.1.1–§6.1.2, p. 10/17.	Please confirm County-furnished scope for Region 1 includes all janitorial equipment and consumables and identify any excluded items the contractor must provide.	The County will provide all equipment and consumables for Region 1.
61.	SOW §7.1.2, p. 10/17.	Please confirm storage provided is limited to existing custodial closets and clarify what secure storage is available for chemicals and PPE; identify any prohibited chemicals/products.	Confirmed. To be discussed with awarded Contractor.
62.	SOW §5.0, p. 5/17; facility-specific protocols – Attachment 1 pages vary.	Please confirm disposal requirements for regulated waste (biohazard/sharps) and whether the County provides regulated waste containers and disposal services or contractor must provide/coordinate.	Confirmed. All waste disposal is provided by the County.

QUESTION NUMBER	RFP LANGUAGE (IF PROVIDED)	PROPOSER'S QUESTION	COUNTY'S RESPONSE
72.	Operational clarification; County to confirm	Please confirm whether floor care resources (equipment and crews) may be shared between campuses and how travel/time impacts scheduling.	Region 3- Each facility will provide the required tools and equipment needed for any required floor care. Each facility has separate minimum staffing requirements and employees should not be travelling from one facility to another.
REGION 4			
73.	Attachment 1 Facility Specification Sheets – pages vary	Please confirm required cleaning windows by station/substation (business hours vs after-hours) and whether the County requires any sites to be serviced on weekends/holidays.	Refer to Exhibit A (Statement of Work) and Attachment 1 (Facility Specification Sheets).
74.	Operational clarification; County to confirm	Please confirm whether staffing is expected to be dedicated to each site or may be routed between multiple stations in a shift (and any limits on travel time).	Minimum staffing levels vary by station. Contractor must determine how to allocate its staff to meet the required minimum staffing levels.
75.	SOW §3.1.1, p. 4/17; Attachment 1 pages vary	Please confirm emergency response requirements for Region 4 (e.g., holding cell incidents, biohazards) including response times and whether included in base pricing.	Please refer to the County's response to Question # 38 above.

76.	SOW §6.2.1, p. 10/17	Please confirm contractor must furnish all consumables, chemicals, paper products, liners, and equipment for Region 4 and clarify whether the contractor must provide/replace dispensers or only refill them.	Confirmed.
77.	SOW §6.2.3, p. 10/17	Please confirm contractor responsibility for theft/loss/damage of contractor-furnished supplies/equipment stored onsite and whether any secured storage will be provided by the County.	County will make its best effort to provide a secured storage closet at each station. However, Contractor is responsible for all theft/loss/damage to its supplies/equipment.
78.	SOW §6.2.1, p. 10/17	Please confirm whether the County restricts chemical types/brands or requires County-approved product lists for Region 4.	No restrictions.
79.	SOW §7.1.2, p. 10/17; site-specific – Attachment 1 pages vary	Please identify custodial storage availability at each station/substation (closet locations, approximate capacity) and any restrictions on chemical storage.	County will make its best effort to provide a secured storage closet at each station and no restrictions.
80.	Operational clarification; County to confirm	Please confirm whether deliveries can be made to each site and identify receiving hours/constraints; confirm whether any sites require offsite staging.	No direct deliveries accepted at stations. Contractor must procure and transport its own supplies.
