Recent Experience

Current consulting platform and most recent enterprise roles

Founder and Proposal Management Consultant Boss Key LLC

Feb 2026-Present
Riverton, NJ

- Provide proposal management consulting to service businesses that need stronger bid discipline, cleaner workflows, and more consistent proposal execution.
- Support bid analysis, proposal planning, compliance review, schedules, outlines, and cross-functional coordination.

Senior Manager of Proposals The Facilities Group

Apr 2024-Feb 2026
Cinnaminson, NJ

- Designed and enforced enterprise proposal operating models across a multi-brand portfolio, reducing variance and compressing cycle time.
- Strengthened proposal governance with leadership, sales, finance, and operations stakeholders.

Proposal Manager SBM Management Services, LP

Oct 2021-Apr 2024
Riverton, NJ

- Created 200+ compliant proposals across concurrent pursuits with sales, finance, and operations teams.
- Implemented quality control that reduced clarifications post-submission and mentored new proposal staff.

Senior Proposal Coordinator Kellermeyer Bergensons Services, LLC

Oct 2020-Sep 2021
Pflugerville, TX

- Guided proposal development from kickoff through submission with sales, finance, and operations stakeholders.
- Built a marketing content repository that improved bid consistency and content reuse.

Earlier Proposal Experience

Healthcare, federal, and large-complexity pursuit depth

RFP Developer Broadspire

Apr 2019-Aug 2020
Alexandria, VA

- Managed healthcare-related RFP responses for third-party administrator services on opportunities over \$1 million.
- Developed proposal resources including a standard language library and branding guidelines in Qvidian.

Proposal Specialist Blackstone Federal

May 2018-Apr 2019
Arlington, VA

- Supported a Department of Homeland Security BPA pursuit valued up to \$265 million.
- Developed compliance matrices and annotated outlines to guide content development and submission readiness.

Proposal Writer Deloitte Consulting

Sep 2017-May 2018
Arlington, VA

- Led proposal development for private-sector opportunities valued at \$25 million and above.
- Drafted and edited proposal content and maintained Qvidian pursuit materials.

RFP Developer Broadspire

Apr 2016-Sep 2017
Vernon Rockville, CT

- Helped launch a new disability insurance product category by drafting RFP responses with sales and operations teams.
- Built a proposal content library with more than 1,600 entries, improving response efficiency and reuse.

Proposal Writer Aetna, a CVS Health Company

Sep 2014-Apr 2016
Hartford, CT

- Led proposal writing for life and disability insurance products, adding direct healthcare and regulated-services relevance.
- Partnered with project managers and operations teams to align kickoff strategy and response tailoring.
